Re: Slaughter of the Libyan masses threatened!

Dear Dr. Ping,

Attached please find the referenced document addressed to all members of the African Union for distribution to them urging rejection of the dollar and the Euro and for their countries to demand sound money redeemable in gold. I strongly believe that by Africa taking such action India, China and Iran will quickly follow. The dollar denominated international financial system will collapse and the many U.S. and NATO wars and aggressions worldwide will end.

I am delivering this plea to you by email with copies to your Deputy chairperson H.E. Mr. Erastus Mwencha at dcp@africa-union.org and Spokesperson Mr. El Ghassim Wane at wane@africa-union.org.

I pray for your immediate attention to this request.

There has been a repeating pattern of fascist barbarism. The slaughters in Rwanda, East Timor and Iraq/Falluja were all genocidal in their effect. The Libyan masses are facing the same evil and need Africa's protection.

An October 2011 invasion and the conquering of the Great Socialist People's Libyan Arab Jamahiriya (*"The State of the Masses"* a direct, participatory democracy) can be stopped through sovereign African unity:

***Refuse the dollar and the Euro!
Demand Sound Money redeemable in Gold!***
